Качество, дизайн и иновации

Liebherr - Hausgeräte Marica EOOD is part of the international group Liebherr. More than 44 000 people are involved in our more than 140 offices around the world.

Since its founding in 2000 Liebherr-Hausgeräte Marica EOOD has invested more than 200 000 000 BGN in production and logistics capacities, in constant modernization and expansion and in the development and qualification of its personnel.

In our plant near Plovdiv we produce a wide range of high-quality refrigerators and freezers for our markets and clients. The excellence in quality and design of our products is constantly confirmed by different institutions. Up to this moment the company has been acknowledged 3 times with the award "Investor of the year". In the context of its various prizes and X awards Liebherr-Hausgeräte Marica EOOD was voted for „specialized trade brand”.

To strengthen our R&D team we are looking for
