## **About Us**

DRUM RISK LIMITED ('DRUM') is a collateral management & inspection company with more than 18 years of industry experience.

DRUM provides collateral management (CMA) and stock monitoring services (SMA). A further business line, specific to certain markets includes due diligence, analysis and background investigations.

## **History**

During 1990's DRUM operated under the name of DRUM Resources Limited, with operations in the CIS and Africa. Owing to the rapid expansion of Africa the Board of Directors in 2008 formally split the company in two.

DRUM RISK LIMITED manages global operations and has from its original CIS platform developed into Europe, Turkey, Central Asia and the Americas. DRUM Resources focuses on Africa and the Middle East and was rebranded as Vallis Commodities Limited.

## **Operations**

DRUM is headquartered in London.

DRUM has three operational centers to coordinate Global projects:

- ❖ *Moscow, Russia (CIS),*
- ❖ *Plovdiv, Bulgaria (South America Europe & Turkey), and*
- ❖ *Tbilisi, Georgia (Caucasus)*
